

## Holder Specification

Part ID #3006	MX Front Draw® Holder
General Description:	A durable holder designed to securely house expandable MX batons (in both closed and/or expanded positions). The holder allows for 360-degree rotation.
Recommended for Baton(s):	Part No: 2500, 2506 or 2507
Belt Attachment Mechanism:	Clip-On Back
Recommended Belt Width:	2.75 inches (6.99 cm) – Adhesive foam pad included and may be cut to size in order to adjust for narrow width belts
Material:	Polycarbonate
Operational Function:	The holder rotates to any one of 8 settings, which provides greater personal comfort during activities such as driving, running, walking, seating or training, as well as allowing rapid access to and deployment of a baton during a drawing technique
Special Feature:	360-degree rotation can be limited to just 45-degree front or 45-degree back (order: add “/L” after Part No.)
Finish:	Textured
Color:	Black
Overall Length:	4.50 inches (11.43 cm)
Front Wall Thickness:	0.15 inches (0.38 cm)
Front Outside Diameter:	1.35 inches (3.43 cm)
Front Internal Diameter:	1.03 inches (2.62 cm)
Back Height:	3.00 inches (7.62 cm)
Back Width:	1.50 inches (3.81 cm)
Back Depth:	0.95 inches (2.41 cm)
Quality Control Program:	In-process inspection, plus 100% inspect prior to shipment.
Guarantee:	All Monadnock® Front Draw® Holders have a lifetime replacement guarantee, under normal field use.
Liability Insurance:	Certificate of Insurance will be provided with request on department letterhead.
Litigation Support:	Monadnock® has provided expert testimony on behalf of police officers and agencies for more than 30 years.
US Patent:	D386, 299

Monadnock® reserves the right to make changes at any time in specifications, models or design without notice.
