

SX Specification

Part ID # 2502:	SX-24"/36" w/Polycarbonate Shaft and Black Anodized Finish
General Description:	Two-stage positive lock baton with a knurled grip integrated into a 1.25 inch (3.18 cm) diameter aluminum frame, which has a black anodized finish that easily converts into a 36" (91.44 cm) riot baton. An expanding polycarbonate shaft is positively locked into position ensuring that the baton will not inadvertently close. Superior quality with a lifetime repair or replacement guarantee.
Recommended Holder:	Textured: 3011
Shaft Locking Mechanism:	Pin and Spring locking action provides the revolutionary mechanism for locking the solid reinforced epoxy shaft in place
Shaft Unlocking Mechanism:	Exposed Pin is pushed down to allow the shaft to unlock and retract back into the frame
Shaft Material:	Solid polycarbonate shaft
Hardness:	Brinell 95
Tensile Strength:	45,000 PSI (Pounds Per Square Inch)
Diameter:	1.25 inch (3.18 cm)
Closed Length:	24 inches (60.96 cm)
Expanded Length:	36 inches (91.44 cm)
Weight:	24 ounces (0.68 kg)
Handle Grip:	Machined knurled handle
Handle Tubing:	6061-T6 aluminum tube; one and a quarter inch (3.18 cm) outside diameter (0.152 inch [0.39 cm] wall thickness) ASTM-B-429
Handle Finish:	Black Anodized Hard Coat Finish (Mil-A-8625 type III) individually serialized
Shaft Length:	13.25 inches (33.66 cm)
Shaft Finish:	Black Anodized Hard Coat Finish (Mil-A-8625 type III)
End Cap Construction:	6061-T6 Aircraft Quality Aluminum
End Cap Coating:	Black Anodized Hard Coat Finish
Quality Control Program:	In-process inspection at every operation plus 100% inspect and testing prior to shipment. In-process inspection consistent with US Department of Defense Mil-Std-105E and United Kingdom Defense Ministry Specification DEF-131-A. All 4130 Steel Tubing has Mill Certification including the chemical analysis of the steel. CAD Drawings and Exploded Views are available upon request.
Guarantee:	All Monadnock® expandable police batons have a repair or replacement guarantee, under normal field use, against breaking, bending, torn grip, and if rust or corrosion prevents the baton from functioning.
Liability Insurance:	Certificate of Insurance will be provided with request on department letterhead.

Litigation Support:	Monadnock® has provided expert testimony on behalf of police officers and agencies for more than 30 years.
US Patents	5,160,140 and 5,320,348
